36	Ready-money allowance of Rupees 13-13-0 per annum, in lieu of the Mailcuppum Dehat Inam village in Wallajah talook.	Nabob Wallajah, as per Purvava, dated 21st Sharval, Hizrie 1187, granted by the above Nabob. Original grantee Mahomed Esoof.	Mootalic Inam, or hereditary personal Inam.	Syed Beebee died on the 18th April 1859, a descendant of the original grantee. Exact relationship not known.	The deceased was in the enjoyment of the full allowance.	Pacha Beebee, daughter ... 12 years Hussain Beebee, daughter ... 9 " Mahomed Cossim, husband 35 " Possess no other means of subsistence.	Syed Beebee, a Dehat Inamdar, was in the receipt of an annual allowance of Rupees 13-13-0, under the sanction of Government, dated 1st February 1853, No. 127, communicated in the Board's Proceedings of 17th idem. She died on the 18th April 1859, leaving the heirs noted in Column 7, and these request that the allowance may be continued in their names. This was an allowance granted in commutation of the share held by Syed Beebee in the Dehat Inam village of Mailcuppum.

* Board's Proceedings, dated 1st May 1854, No. 180. Extract from Minutes of Consultation, dated 20th June 1854, No. 715.

In Mr. Bourdillon's list, which received the sanction of Government under date the 13th June 1851, her allowance was entered "hereditary;" but as in the subsequent orders, the hereditary nature of the Mailcuppum Inam is disallowed, the Collector begs to recommend that the allowance be continued as a life-grant in the joint names of Pacha Beebee and Hussain Beebee, the daughters of the deceased. To this arrangement the husband of the deceased agrees.

Syed Beebee drew her allowance up to 31st December 1855, when her allowance was discontinued under the Board's Circular of 13th May 1856, No. 1,454, for not having appeared under muster. Although by a subsequent Order of Government, dated 20th January 1859, sanction was granted for the payment of all the allowances stopped under the Board's order above quoted, the allowance of Syed Beebee appears to have remained unpaid, as she failed to send a duly authorized Valuel, and died shortly after the receipt of the order. Under these circumstances, sanction is requested for the payment of the arrears, amounting to Rupees 148-7-9, from 1st January 1856 to 30th September 1866, at Rupees 13-13-0 per annum.

*Proceedings of the Madras Government, Revenue Department,
5th July 1867.*

The Collector will be requested to explain the delay which has occurred in the submission of the above Statement, seven years having elapsed since the death of the last holder of the pension.

No. 102. Proceedings of the Board of Revenue, dated 14th May 1867, No. 2,946.

Read again Statement of lapsed Inam pension received from Collector of North Arcot, dated 19th December 1866, recorded in Board's Proceedings, dated 15th February 1867, No. 924.

Read also the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated on Circuit, Camp at Chendragherry, 12th March 1867, No. 61.

1. I have the honour, with reference to the Proceedings of the Board, dated 15th February 1867, No. 924, to state that the Treasury Deputy Collector reports that the long delay in disposing of the Yeomiah case therein referred to, arose, he has been given to understand, from some doubts which his predecessor entertained as to whether the pensions in question should be continued to the heirs of the last incumbent, as none of the records shewed that the Dehat Inam village of Mailcuppum, upon the resumption of which these pensions were granted, was unquestionably a hereditary grant.

2. This explanation is, I must admit, a lame one, as, had the case been at once put forward on its merits, it would no doubt have admitted of a much earlier settlement.

Resolved that the foregoing papers be submitted for the consideration and orders of Government. The Board cannot regard the explanation conveyed in the Collector's letter, No. 61, as by any means satisfactory.

No. 103. ORDER THEREON, 5th July 1867, No. 1,504.

Miscellaneous.

1. The Government observe that the Government Order of 15th August 1851, No. 827, Revenue Department, in which an annual share of Rupees 16-8-0 (reduced to Rupees 13-13-0 in Government Order dated 1st February 1853, No. 127, Revenue Department, on the commutation of the variable Dehat Inams to a fixed allowance from the Treasury) was allotted to Syed Bee, now deceased, expressly declared that each share was "to lapse with the life of the present incumbent." And as pointed out by the Collector, the non-hereditary nature of the Melcoopum Inam was admitted in the correspondence held on the subject in 1854.

2. The remark in the Tabular Statement, that the family possess no other means of subsistence, is inconsistent with the fact that the allowance has not been drawn since 1855.

3. The Government cannot comply with the Collector's request that the allowance may be continued as a life-grant to the daughters of the deceased, but sanction payment of the arrears due to Syed Bee from 31st December 1855 to 18th April 1859, the date of her death, to her representatives.

*Proceedings of the Madras Government, Revenue Department,
5th July 1867.*

4. The delay from 1859 to December 1866, in submitting the case for orders, is utterly inexcusable, and testifies to a very inadequate system of supervision by the Collector over the work assigned to his Deputies.
