*Proceedings of the Madras Government, Revenue Department,
8th July 1867.*

No. 122. Read the following letter from the Collector of Ganjam, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chetterpore, 27th June 1867, No. 1,844:—

1. The Reverend Mr. Taylor, Berhampore, informs me that great inconvenience is suffered in his "Famine Orphan Asylum" from the absence of a supply of water on or near the premises, even for culinary and drinking purposes. He solicits a grant of 300 Rupees to enable him to finish the excavation of a small tank at the edge of the school compound, which was commenced by his predecessor, some time ago. This will furnish the children with a good supply of water for all purposes the whole year round.

2. I beg to support this application, if the money can be spared from the balance of the Famine Fund. I may add that I lately visited the Orphanage, and found the children in a condition very creditable to Mr. and Mrs. Taylor.
