Proceedings of the Madras Government, Revenue Department,
11th July 1867.

No. 195. Read the following Proceedings of the Board of Revenue, dated 28th June 1867, No. 4,006.

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 20th May 1867, No. 145 :—

1. I have the honour to bring to the notice of the Board that the Gangapatnam road was commenced in the official year 1858-59, and when certain lands, detailed in the margin, in Komarike Kandriga, in the Nellore talook, were taken up for the road.

2. Since that time up to Fusly 1272 *Rupees* 6 were annually struck off from the quit-rent of the Kandriga for the loss sustained by the Kandrigadars.

3. In Fusly 1273, Mr. Dykes considering this course to be irregular, ordered the sum to be collected from that Fusly, and directed the Kandrigadars to establish their claim for compensation in the proper way.

4. They accordingly brought forward their claims, and the land in question was inspected by the Talook authorities.

5. It appears from the Nellore Tahsildar's Arzi, No. 724, that the Kandrigadars being unable to procure any fresh land in lieu of their own, they claim a reduction of *Rupees* 6 from the quit-rent on their Kandriga. According to the average rates of the adjoining villages, the land taken up for the road is valued at *Rupees* 6-1-9 *per annum*.

6. As *Rupees* 6 was regularly remitted out of the quit-rent up to Fusly 1272, and the Kandrigadar's claim is restricted to that sum, which appears fair when compared with the average rates of the adjoining villages, I have the honour to recommend that a permanent reduction of *Rupees* 6 from the quit-rent may be sanctioned, fixing *Rupees* 47 as the quit-rent on the Kandriga from Fusly 1276, and that a compensation of Rupees 18 may be granted to the Inamdars for Fuslies 1273, 1274, and 1275, at 6 *Rupees per annum*, as this amount has been already collected from them.

7. To avoid confusion, I beg to observe that the sanction accorded in Government Proceedings, dated 11th April 1867, No. 836, was for lands of the same Kandriga taken up for public road in 1866, but the present reference relates to an entirely different claim pending undisposed of from 1858-59.

---

1. Resolved that the sanction of Government be requested for the permanent reduction of Rupees 6 from the quit-rent of the Komarike Kandriga from Fusly 1276, and for the payment of Rupees 18 for the three previous years 1273 to 1275.

2. Mr. Boswell will be good enough to report whether no compensation is claimed on account of the occupancy right.

No. 196. ORDER THEREON, 11th July 1867, No. 1,550.

Land Revenue

The abatement of Rupees 6 from the yearly quit-rent of the Kandriga, thereby reducing it to Rs. 47 from Fusly 1276, and the payment of Rupees 18 on account of arrears of compensation, are sanctioned.
