No. 322. Proceedings of the Board of Revenue, dated 1st July 1867,
No. 4,059.

Read the following letter from the Acting Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 31st May 1867, No. 132 :—

1. In reply to the Board's Proceedings, as per margin, I have the honour to enclose copy of a letter received from the Superintending Engineer, and to state that in granting the land the conditions therein mentioned shall be attended to.
2. The land bears no survey assessment.

From the Acting Superintending Engineer, 6th Division, to the Collector of Trichinopoly, dated
Tanjore, 29th May 1867, No. 282.

In reply to your letter of the 30th ultimo, No. 106, I have the honour to inform you that there is no objection to the Padoogay referred to being allotted, as therein proposed, with the exception, however, that instead of twelve yards of land, as stated by Colonel Greenaway, twenty-four yards are considered necessary to be reserved along the foot of the north slope of the river embankment. On this condition, and also that a strip of three yards in breadth on each side of the supply channel of Poodoovaitalay, which runs through the Padoogay in question, be retained to furnish earth and space for repairs, the piece of land may be granted to the Inamdar of Andanellore.

Ordered that the foregoing papers be submitted to Government for their orders. It would seem there is no objection to granting the Padoogay land adverted to, to the Inuandar in exchange for his land taken up for the Railway. The reserved slips will, of course, be retained as the property of Government.

No. 223. ORDER THEREON, 13th July 1867, No. 1,561.

Miscellaneous

The Government sanction the proposed exchange on the conditions stated by the Acting Superintending Engineer.
