No. 242. Read the following Proceedings of the Madras Government in the Revenue Department:—

Concurring in the opinion of the Board that the present distribution of charges, as regards the Collector and Sub-Collector, had better be retained, and an Office built for the Sub-Collector on the site selected by the Collector at Nursapore, and requesting the Department Public Works to issue the necessary orders for the erection of the building on the plan submitted. — (Here enter 28th June 1867, No. 1,442.)

CIVIL WORKS, No. 31.

The Government sanction the estimate of Rupees 5,150 for the erection of an Office at Nursapore for the use of the Sub-Collector of the Godavery District, but seeing that the whole of the Reserve has been appropriated, and that there is very little probability of funds being hereafter available from allotments other than "Military" and "Agricultural," they direct that the work be entered in the Budget of 1868-69.
