*Proceedings of the Madras Government, Revenue Department,
16th July 1867.*

Read the following papers :—

No. 249. Proceedings of the Board of Revenue, dated 27th May 1867, No. 3,259.
Read the following Proceedings of the Madras Government, dated 30th April 1867,
No. 963, Revenue Department.

ABSTRACT.—Communicating a letter from the Government of India, reviewing the Budget Estimate for 1867-68, and requesting the Board to submit the Statement required in paragraph 13 regarding the Estimate of Salt Charges.

1. With reference to paragraph 9 of the Government Order above recorded, the Board resolve to submit to Government the Statement required by the Government of India in paragraph 13 of their Secretary's letter of the 21st March 1867, No. 1,546. In this Statement, the several Salt works proposed by the Board, as well as the provision of Rupees 200 made by them for repairs to revenue buildings in each district, amounting in all to Rupees 1,25,000, are entered together with the cost of the additional works pointed out by Government in paragraph 43 of their Proceedings, dated 8th December 1866, No. 3,309, amounting to Rupees 75,000, thus making up the total cost of works entered under the separate head of Petty Construction and Repair to Rupees 2,00,000.

2. The several works entered in this list appertain generally to the Salt Department; some of them have been hitherto entered in the Budget of the Department of Public Works, but as the Board considered that they could be most effectually and economically executed by the Deputy Collectors in charge of the Salt Department without the aid of any professional agency, they were this year, for the first time, entered in the Civil Budget. The works, it will be observed, are generally the construction of platforms, salt pans, Tanadars' Cutcheries, &c., which are of a petty character, and can be executed without any professional skill.

3. The Board trust that, under the explanation now furnished, the provision of Rupees 2,00,000 under Petty Construction and Repair may be allowed to stand in the Budget of the current year.

No. 250. Proceedings of the Board of Revenue, dated 13th June 1867, No. 3,622.
Read the following letter from the Acting Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 13th May 1867, No. 84.

1. With reference to paragraph 8 of the Proceedings of the Board, dated 27th February last, No. 1,206, I have the honour to state that the several works enumerated in the accompanying list have already received the sanction of Government, and that they will be undertaken as soon as practicable in the course of the year, in order, as most required.

2. The estimates for the works so passed were submitted for sanction through the Superintending Engineer of the division, who now informs me that they have not been returned to him after they had received the sanction of Government. He thinks they may be found in the Board's Office, and if so, I request that they may be forwarded to me at their earliest convenience, or else that the Board will

*Proceedings of the Madras Government, Revenue Department,
16th July 1867.*

be pleased to cause inquiry to be made as to where the documents are now to be found.

Total Budget allotments	rs. 39,425	3. In addition to the abovementioned works, there will then remain others to the estimated amount of Rupees 10,495 to be accounted for.
Sanctioned as shown in the accompanying list	28,930	
Remaining	10,495	

1. Balarging Chura Koty at Mangalore	1,090	4. Estimates for works to the amount of Rupees 2,015 have been already submitted for sanction, and the Board will find that these have been submitted for the sanction of Government in their Proceedings, dated the 13th February last, No. 873.
2. Compound walls and roads at ditto	195	
3. Re-roofing Mulki Koty, No. 1	200	
4. Compound walls at Angilly	95	
5. Ditto ditto at Arebet	95	
6. Repairing two Koties at Halady	400	
Total	2,015	

5. It now remains for me to shew estimates or sanction for the balance of Rupees 8,480. I, however, find some difficulty in doing so, as I do not exactly know what minor items are included in the general allotment of Rupees 20,000 shewn in the Board's list against Item "No. 190, Salt Koties." I beg, therefore, to request that the Board will be so good as to furnish me with a list giving the details of the works embraced therein, and I shall then lose no time in seeing whether any further estimates are still due from me.

Road from Chalanmakky to Nerakutta on the one side, and to Yellur on the other	rs. 3,600	6. A few Salt roads were proposed and submitted for sanction through the Superintending Engineer in November 1865. I am at a loss to know whether these are included in the above allotment of Rupees 20,000. If they are, I will have to urge that Officer to procure for me the required sanction of Government thereon, as the estimates have already passed through his hands.
Ditto from Mabukal Koty to river on the one side, to the Brahmanwar high road on the other	400	
Ditto from Basur to Koteswar	1,600	
Ditto from Archet Koties to Koteswar	1,000	
Total	6,600	

List of Salt works sanctioned by Government in their Orders, dated 22nd December 1865, No. 3,090, Revenue Department, and 6th January 1866, No. 55, Public Works Department.

No. in the Board's List		rs.
162	Re-construction of Talan Koty at Mangalore	490
163	One Koty to contain hundred garces including junglwood partitions at Marjeshwar	1,200
164	Kichery for Salt Superintendent at Cassergode	220
165	One Koty to contain hundred garces including junglwood partition at Nileshwar	1,200
166	Two do. 100 each, at 1,200 Rupees at Malpe	2,400
167	Kichery to the Salt Superintendent at Malpe	220
168	Do. do. Bale	220
169	Do. do. Mabukal	220
170	Compound walls around the Devaragra Koties	400
171	Partitioning the undermentioned existing Koties with junglwood fence work	

*Proceedings of the Madras Government, Revenue Department,
16th July 1867.*

1st, Salt Koty at Mangalore	500	rs.
2nd, or Talan Koty at do.	290	
3rd, or Chura Koty at do.	335	
4th, or Coir do. at do.	615

172. Two Koties at Mulki, at 340 each	680	
173. One do. at Mabukal	320	
174. One do. at Munjeshwar	255	
175. One do. at Cassergode	255	
One do. No. 2 at do.	243	
176. One do. at Nileshwar	312	
179. One Koty to contain 100 garces including junglwood partition at Cassergode	1,200	
180. Do. do. at Mabukal	1,200	
181. Re-construction of Kaleagra Koty at Devaragra, including junglwood partition, at Waderhobly station, in Angali division	1,200	
182. Re-construction of Jallady Koty at Chellumuckey, including junglwood partition in Harnad	1,200	
190. Salt Koties.		
Four new Koties at Mangalore	10,900	
Reclaiming the river bed, &c., at Mangalore	2,240	
	13,140	

Total sanctioned ... 28,930

(Signed) W. S. WHITESIDE,
Acting Collector.

MANGALORE,
13th May 1867.

1. Submitted to Government, Revenue Department. The estimates, referred to in paragraph 2 of the Collector's letter, have not been received in this Office. It is, therefore, requested that they may be forwarded for transmission to the Collector.

2. The sum of Rupees 20,000, adverted to in paragraph 5 of the letter, was included by Government in the list of Petty Construction and Repairs on account of Salt Koties. The Board request that the Government will be pleased to furnish the Board with the particulars of the amount.

No. 251. ORDER THEREON, 16th July 1867, No. 1,575.

Separate Revenue, No. 14.
Salt.

1. Ordered that the estimates alluded to in paragraph 1 of the second of the papers above recorded be returned to the Board.

2. The particulars for the sum of Rupees 20,000, specified in paragraph 2 of the same paper, are not available in the Government Office. The Superintending Engineer of the Division proposed in his Budget List for 1867-68 an outlay of Rupees 18,930 on account of Salt Koties in South Canara, and as Salt and Minor Revenue works were omitted from the Public Works Budget, thereon sum of Rupees 20,000 was provided for the Koties in the General Civil Budget. But the Government observe that the total of the individual estimates for the several Koties in South Canara, entered in the list which accompanied the Board's Proceedings, dated

Proceedings of the Madras Government, Revenue Department.
16th July 1867.

27th May, also above recorded, viz., Rupees 17,340, with a slight addition for sundries will nearly equal the lump provision made by the Superintending Engineer in his list alluded to. The presumption, therefore, is that a double provision has been made for the same works. The Board will place themselves in communication with the Superintending Engineer, (to whom copy of this Order and of the Board's List will be furnished direct to save time,) and clear up the doubt. Should it be found that a double provision has been made by mistake, they will furnish a revised list at an early date. They have also been requested by a separate Order, dated 15th July 1867, No. 1,568, to consider whether further revision of this list is necessary with reference to the contemplated introduction of the excise system on the West Coast.

(True Extract.)

(Signed) W. HUDLESTON,

Secretary to Government.

To the Board of Revenue,
the Superintending Engineer, 7th Division,
the Public Works Department.

Revenue Separth

N^o. 1575.

Proceedings of the Madras Government
under date the 16th July 1867-

1575

Read the fol-
-lowing Pro: of the Board
of Revenue-

Submitting with
several statement called
for in para 9 of G.O. dated
30th April 1867, No 963 P.S.
respecting estimate of con-
salt charges-

(Here enter 27th May
1867, No 8269/-)

Submitting to Govt
letter from Acting Collyer
of South Canara and re-
-questing to submit estimates
of certain works in S^t for-
-wards to Govt by Sup^y.
Eng^y of the S^t and to submit
Particulars of the sum
of Rs 2000 mentioned in
para 5 of said letter-

(Here enter 13th June
1867, No 3622/-)

Orders that
the estimates alluded to
in para 1 of the second
of the papers above re-
-ferred be returned
to

to the Board -

2. The particulars for the sum of £20,000 specified in para 2 of the same paper are not available in the Govt office - The Superintendent Engineer of the Division proposed in his Budget list for 1867-68 an outlay of £13,980 on account of salt Works in South Canada, and ~~these~~ ^{as salt works} ~~works~~ ^{works} having been omitted from the Public Works Budget, the round sum of £20,000 was provided for in the general Civil Budget - But the Govt observe that the total of the ^{estimate} ~~estimate~~ for the several Works in South Canada entered in the list which accompanied the Board's Bo: dated 27th May also above recorded, viz £17,340 is with a ^{large} ~~large~~

some addition for sundries ^{with} nearly equal to the ^{sum} ~~provision~~ made by the Supg Engr in his list alluded to -

The presumption therefore is that ~~that~~ ^{a provision} ~~provision~~ ^{has been made} ~~has been made~~ ^{for} the same works - The Board will therefore place themselves in communication with the Supg Engr (to whom a copy of this order and of the Board's list will be furnished direct to same time) and clear up the doubt - should it be found that ^{any} ~~any~~ ^{provision} ~~provision~~ ^{has been} ~~has been~~ ^{made} ~~made~~ ^{by mistake} ~~by mistake~~ they will furnish a ^{clear} ~~clear~~ ^{list} ~~list~~ ^{at an early date} - They have also been requested by a separate order dated 17th June 1867 to consider about the further division of ^{the} ~~the~~

^{the necessary}
this list with reference
to the plans under
consideration for the
^{improvement}
introduction of the
social system in the
country

14 Copies to the ^{with general} Office of the ^{Secretary}
1 Copy to ^{Supr. Eng.} ^{Dept. of} ^{the} ^{Interior}
24 Copies to ^{the} ^{Dept. of} ^{the} ^{Interior}
