Proceedings of the Madras Government, Revenue Department, 17th July 1867.

No. 279. Read the following Proceedings of the Board of Revenue, dated 2nd July 1867, No. 4,102.

Read the following letter from the Mint Master, to the Secretary to the Board of Revenue, dated 17th June 1867, No. 129 :—

1. With reference to the Board's Proceedings, No. 279, 6th May last, and Order of Government, 17th idem, approving of the same, I have the honor to forward a Statement, in the prescribed form, of the establishment required at the Mint for the Stamp Paper Department.

2. The increase amounts to Rupees 1 *per mensem*, of which Rupees 136 is for labour and superintendence, and Rupees 20 for sundries.

3. The total cost proposed is Rupees 462 a month, for working six large Presses for Bi-colored Stamps on Judicial paper, and three small ones for private goods, as well as for executing such quantity of embossed Stamps, as may continue to be required for Cheques, Bills of Exchange, and similar documents.

4. The former establishment, that is the one existing since 16th April 1867, was for three large Presses and three small; but the hands were not enough for working them efficiently, and the establishment now proposed is consequently on a somewhat more liberal scale.

5. The only other remark called for is to explain that I propose the salary of the one Writer and Accountant in the department should be raised from Rupees 50 to Rupees 75 a month. His duty is responsible and irksome, and his present salary is, in my opinion, incommensurate with his work. I do not propose to raise the salary of the Manager, as he is also the Head Accountant and Manager of the Mint Office, and this is a supplementary duty.

Proceedings of the Madras Government, Revenue Department, 17th July 1867.

Resolved that the Tabular Statement, received with the foregoing letter, be submitted to Government, with reference to their Order, dated 17th May 1867, No. 927. The number of large Presses for Bi-colored Stamps on Judicial paper having been increased from three to six, the additional establishment applied for, involving an increase of Rupees 136* a month, appears necessary. Of this amount a sum of Rupees 25 is apparently intended to raise the pay of the second Writer and Accountant from 50 to 75 Rupees. The Board request that sanction may be granted for the increase of Rupees 136. The Board presume that the additional sum of Rupees 20, required for contingencies, may be met from the provision made in the Budget.

Stamps.

The Board of Revenue will require the Mint Master to report if the proposed establishment cannot be reduced with reference to the Proceedings of Government, dated 9th July 1867, No. 1,522, dispensing with the Bi-color Stamp altogether in the case of Bills of Exchange, Bills of Lading, &c. They will authorize him to employ such temporary hands as may be absolutely necessary to meet the demands of the Stamp Department.
