Proceedings of the Madras Government, Revenue Department,
***15th January* 1867.**

No. 347. Read the following Proceedings of the Board of Revenue, dated 12th January 1867.

Read the following :—

Report on the state of the season in the District of Cuddapah during the second fortnight in December 1866.

1. Slight showers of rain fell in a few talooks. In the Voilpaud and Madnapulli Talooks, in which the rain was more abundant, several tanks received small supplies of water.

2. Agricultural operations were in progress throughout the district.

3. The standing crops, with the exception of those referred to in the last report as injured by the unseasonable rains, were on the whole in good condition.

4. Fever continued prevalent in two talooks; cholera existed to a slight degree in a few villages.
