Proceedings of the Madras Government, Public Works Department, 9th May 1867.

No. 258. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Hospett, 27th April 1867, No. 277 :—

With reference to paragraph 3 of G. O. No. 1,092, of the 9th instant, I have the honour to inform you that the Pettacottacheruvoo tank was breached in October last. The breaching of this tank has been already brought to the notice of Government, and orders* have been passed. I have ordered the repairs to be carried out from this year's grant for Agricultural Repairs, but as the amount of the estimate† is rather large, I would beg if possible that Government should specially allot money for it.

* G. O. No. 185 of 19th January 1867, and No. 538 of 21st February 1867.

† Rupees 5,830.

No. 259. ORDER THEREON, 9th May 1867, No. 1,419.

IRRIGATION, No. 17.

As the works required for placing the Pettacottacheruvoo tank in a state of efficiency are more of the character of re-construction than of repair, their cost* will be charged against the Reserve under "Agricultural."

* Rupees 5,830.
