*Proceedings of the Madras Government, Revenue Department,
19th July 1867.*

No. 391. Read the following Proceedings of the Madras Government in the
Public Works Department:—

Sanctioning estimate for the construction of a
rough stone rapid to serve as a calingulah at
Doogerallah, and for the enlargement and
deepening the canal connecting the Comma-
moor with the Toongabudra channel in Kistna
District. } (Here enter 24th June 1867, No. 1,881.)

No. 392.

ORDER THEREON, 19th July 1867, No. 1,642.

Miscellaneous.

Communicated to the Revenue Board.

(True Extract.)

(Signed) W. HUDLESTON,

Secretary to Government.

To the Board of Revenue, with Proceedings Public Works Department, No. 1,881.

*Proceedings of the Madras Government, Public Works Department,
24th June 1867.*

No. 506A. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 5th June 1867, No. 32 :—

- * 2 Plans (by banghy).
- 1 Detailed Estimate.
- 1 Abstract do. Rs. 5,680.
- 1 Specification Report.

1. I have the honour to forward plans and estimate as per margin,* for the construction of a rough stone rapid at Doogerallah, and the enlargement

and deepening of the canal from it to the Commamoor channel, amounting to Rupees 5,680, for the sanction of Government.

2. The necessity of the work will be apparent from the levels shown in the sketch. A fall exists of 6 feet in one mile and 2,180 feet between the escape and the commencement of Commamoor channel, i. e., nearly 56 inches per mile, which would, besides being subject to a retrogression of levels, render the channel unfit for navigation; and, moreover, by the shallowness of the water that would lie on the lower sill of the lock, prevent the passage of craft of any large size entering it.

3. I prefer a rapid to a masonry fall, as stone can be procured cheaply at Doogerallah, and the expense will be much less.

4. Should Government approve of the work, I would suggest that the sum now required be added to the amount sanctioned for the Commamoor channel project,† and that the money needed

† Vide Item 139 of Budget 1867-68	RS. 1,85,460
Do. G. O. No. 1,310, dated 1st May 1867	4,020
	1,90,090

may be transferred from Item No. 135 to Item, No. 139, as I do not anticipate that the full amount sanctioned for the

former work (Rupees 20,080) can be expended during the current year.

No. 507. ORDER THEREON, 24th June 1867, No. 1,881.

IRRIGATION, No. 29.

1. The estimate of Rupees 5,680 which is submitted with this letter for the construction of a rough stone rapid to

serve as a calingulah at Doogerallah, and for the enlargement and deepening of the canal connecting the Commamoor with the Toongabudra channel in the Kistna District is sanctioned for immediate execution.

2. The Government approve and sanction the proposals contained in paragraph 4.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
