in the name of Ahmed Pacha, the son of the deceased, by his Nicka widow Kareem Banoo. The hereditary nature of the grant has been established in the Orders noted in the margin. The Collector has, therefore, registered the grant in the name of Ahmed Pacha, and in reporting this for the approval of Government, requests their sanction for the payment to him of the arrears, amounting to Rupees 809-14-0, from 1st January 1864 to 30th September 1866. The delay in the disposal of this case was owing to the parties not having appeared for nearly a year before the Tahsildar of Arcot, to whom the case was, in the first instance, referred at their own request. In January 1865, they again moved that the case should be transferred to the Wallajah Talook, on the ground that their witnesses and they themselves had removed to that talook. After a long delay in that talook, the enquiry was eventually closed at the end of December 1865. As the record of enquiry was defective on certain points, the case was unavoidably delayed for a few months at the Huzur, with a view to clearing up those doubts.

Proceedings of the Madras Government, Revenue Department, 15th January 1867.

1. The Board approve of the registry of these hereditary allowances in the name of Ahmed Pacha, son of the deceased, and resolve to submit these Proceedings for the confirmation of Government in accordance with paragraph 2 of Government Order, dated 27th August 1861, No. 1,719.*

* *Vide* Board's Standing Circular, dated 3rd September 1861, No. 4,762.

No. 356. ORDER THEREON, 15th January 1867, No. 165.
