Proceedings of the Madras Government, Public Works Department,
9th January 1867.

No. 147. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp, Vizianagrum, 12th December 1866, No. 208 :—

1. I have the honor to request that Government will be pleased, if possible, to make provision for the Talook Cutcherry at Rajahmundry in the Budget for 1867-68. The estimate, amounting to Rupees 11,600, appears to have been under the notice of Government.—See Miscellaneous Order No. 380 of 13th February.

2. There are no Proceedings in this Office except copy of a remark in the Department Public Works, (sent by the Collector,) to the effect that the estimate being in excess of Rupees 10,000, the work cannot be carried out without the sanction of the Government of India till 1867-68.

3. Not having been received in regular course from the Public Works Secretariat, the document had been lost sight of.

No. 148. Order thereon, 9th January 1867, No. 70.

CIVIL WORKS, No. 34.

1. Provision has been made in the Budget for 1867-68 for the erection of Talook Cutcherries in several of the districts of this Presidency, but it was found impossible to allot funds for the proposed Cutcherry at Rajahmundry.

2. The Government note that the plan and estimate which accompanied the Collector's letter embodied in the Proceedings of the Board of Revenue, No. 640, dated the 26th January 1866, were for a Cutcherry without a Subsidiary Jail. The Superintending Engineer of the 1st Division is now requested to revise that plan and estimate with reference to the observations of Government in paragraph 33 of their Orders No. 3,938, dated the 14th December 1866.

Vide G. O. in the Revenue Department, No. 380, dated 13th February 1866.
