Proceedings of the Madras Government, Revenue Department, 29th August 1867.

No. 564. Read the following Proceedings of the Board of Revenue, dated 19th August 1867, No. 5,346.

Read the following letters :—

From the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 18th July 1867, No. 155.

1. An estimate, amounting to Rupees 15,700, for District Road No. 30, is now before the Superintending Engineer, and will be forwarded for sanction as soon as it reaches me.

2. The Range Officer informs me that the allotment of Rupees 5,000 for this road for the current year will be expended by the end of the current month. He has work going on vigorously, and can efficiently expend a further sum of Rupees 5,000 this year. This will make the line passable for carts throughout.

	Rs.
Expended to 31st March 1867... ...	3,298
Do. in this year...	4,722
Proposed further allotment	5,000

3. If work is stopped now, and the labor disbanded, great loss of time, and some of money, will ensue.

4. I beg, therefore, sanction for this further sum, which can be provided from the Reserve.

From the same Officer, dated Calicut, 25th July 1867, No. 166.

1. I have the honor, herewith, to submit, for early sanction of Government, estimate* and plans duly countersigned by the Superintending Engineer and myself, for the road from Pudiangadi *via* Edakad Kokatri bridge to Kokallur Amshom (District Road List No. 30).

* Rupees 15,700.

2. The total outlay on this line, up to the end of the past official year, amounts to Rupees 3,298, leaving Rupees 12,402 to be provided for, of which a sum of Rupees 5,000 has been allotted in the Supplemental Budget† submitted to Board with this Office letter, dated 1st June 1867, No. 111, and a further amount of Rupees 5,000, recommended to be sanctioned from the Reserve of the current year, in my letter of the 18th instant, No. 155.

† Item No. 4, Part I.

Enclosure No. 1.—Estimate.

Enclosures Nos. 2 and 3.—Plans.

---

1. Resolved that the plans and estimate, amounting in the aggregate to Rupees 15,700, received with the second letter above recorded, for constructing a road from Pudiengady to Kokallur Amshom, be submitted for the sanction of Government.

2. In the first letter, the Collector states that the allotment of Rupees 5,000, made in the Supplemental Budget of the current year for the work in question, would be expended by the end of July last, and as the work is now going on, and as he

calculates upon efficiently expending a further sum of Rupees 5,000 this year, he requests that this additional sum may be sanctioned from the Reserve.

3. The Board observe that the work appeared in the Local Fund Budget* for 1866-67 with an allotment of Rupees 3,520, and that an expenditure of Rupees 3,208 was incurred that year, though no estimate was submitted to, or received the sanction of Government.

* Item No. 108.

4. As the road is an important one, the Board will raise the allotment of Rupees 5,000, made in the Supplemental Budget now before the Board, to Rupees 10,000; but they must request that, in future, the Collector will abide by the rules laid down by Government, which require that no work likely to cost more than Rupees 250 be commenced, until it has received the sanction either of the Board or of Government.

No. 960. ORDER THEREON, 20th August 1867, No. 2,029.

Local Funds, No. 15.
Civil Works.

The Government sanction the estimates submitted with the above letter.
