Proceedings of the Madras Government, Revenue Department, 30th August 1867.

No. 581. Read the following Circular from the Secretary to the Government of India, Financial Department, (Assessed Taxes,) to the Chief Secretary to the Government of Fort Saint George, dated Simla, 12th August 1867, No. 2,062 :—

1. I am instructed to forward forms of Returns of License Tax Operations, indicating particulars which should be furnished monthly.

2. In the statement of District Detail, Towns which are large centres of commerce, seats of industry, or otherwise business places of importance, should be separately entered. The Local Officers will no doubt be readily able to determine which towns should be thus distinguished.

3. It is apprehended that the information relating to population can be supplied with sufficient accuracy from existing official sources, but it is not intended that any enquiry to supply these details should be entered on.

4. The returns for the expired months of the official year should be completed and sent in without delay, and henceforward Returns for each month should be rendered in time to reach this office by the 15th of the succeeding month.

5. The above returns will not include collections made through the Examiner of Claims or through the Military Paymasters. These have been separately called for.

No. 582. ORDER THEREON, 30th August 1867, No. 2,037.

Miscellaneous.

The Board of Revenue will issue the requisite instructions to Collectors for the preparation and despatch of the Returns.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.
