Sir

I have the honor to sta
Continuation of former reports that timely
sufficient rain has fallen generally ove
Country. The crops promise exceedingly w
a good deal of early rice has been rea
and has appeared in the market. Pric
have generally fallen and there is less a
demand for sales at Government depots
much so that I have recommended c
tion of importation as the stocks in
are considered sufficient to carry us thro
until the heavy rice crop is cut in Dece

2. Prices are higher now in Khoord
than in any part of the Province, through
Bandore and in the interior of the Subdivis

are more favorable and rule at about
attack Sears for Rupees in Bamfine and
work on your frontier -

So for we have been spared heavy
dahins. Neither the Mahanuddee nor Brah.

the spill water is otherwise than ben

I have the honor to be.
