No. 72. Read the following Proceedings of the Board of Revenue, dated 28th August 1867, No. 5,563.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 3rd August 1867, No. 215 :—

1. I have the honor to report that a portion of the land (Lot No. 32) on the Kodikanal settlement on the Pulnis sold to Mr. Yorke, and referred to in the Board's Proceedings, dated the 2nd December 1865, communicating the Order of Government, dated 28th November 1865, No. 2,932, in the Revenue Department, has been rendered useless to the purchaser by the formation of a Government road on the premises in the manner shewn in the accompanying rough sketch, and which cut the land into three pieces. Mr. Yorke claims compensation for the part thus made useless, and I beg to recommend that authority be obtained from Government for the grant of a piece of land equal in extent to the portion which became useless.

2. Captain Prendergast, the Officiating Superintending Engineer, measured the land and surveyed a new plot of the same area, 10,663 square yards or 2,203 acres, which adjoins Mr. Yorke's land in the place marked A.

Enclosure No. 1.—Plan.

Resolved that the foregoing letter be submitted to Government, with the Board's recommendation that the grant of land be authorized as proposed by the Collector.

No. 73. Order thereon, 5th September 1867, No. 2,079.

Miscellaneous. The exchange is sanctioned.
