*Proceedings of the Madras Government, Revenue Department,
7th September 1867.*

No. 117. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 21st August 1867, No. 167 :—

1. I have the honor to request that you will obtain the sanction of Government to my purchasing two copies of the Standing Orders of the Board of Revenue, and of a few copies of the Penal Code and Code of Criminal Procedure, required for reference in prosecuting cases of breach of Forest Rules. One set to be kept in the Central Office, and the other to be supplied to Range Officers when they desire to consult them.

2. I beg to suggest that the Officers named below, being in charge of large Timber depôts, be supplied with the "Fort Saint George Gazette" on account of the Timber advertisements contained in it :—

- (1.) First Class Deputy Conservator of Forests, Mudumallai (Ootacamund).
- (2.) Second Class do. do. Salem.
- (3.) Third Class do. do. Anamallai (Coimbatore).

3. This Office is now furnished with three spare copies of the Proceedings of Government. It is desirable that many of these should be supplied to the Officers of the department; but owing to the small number, the circulation is attended with loss of time, and a heavy postage is incurred. There are about ten Government Orders circulated every month, the postage on which averages about 50 Rupees, whilst the cost of the paper for printing the additional copies would not be 5 Rupees a month, and there would be a permanent printed instead of a manuscript record. Under these circumstances I beg that you will furnish me, for distribution to Range Officers, with twelve additional copies of the Proceedings on more important subjects, as Budget Orders, Planting Reports, and General Conservancy.

4. The cost of the works specified in paragraph 1 to be included in the Contingent Bill of the Central Office.

No. 118. ORDER THEREON, 7th September 1867, No. 2,102.

Forests, No. 3.

1. The purchase of two copies of the Standing Orders of the Board for the Conservator's Office is sanctioned, but the Government consider that the Deputy Conservators may very well provide themselves with the Codes, the pocket edition of which costs only four and a half Rupees.

2. The "Fort Saint George Gazette" will be supplied to the Deputy Conservators of Forests in Mudumallai (Ootacamund), Salem, and Anamallai (Coimbatore).

3. Twelve spare copies for distribution and Office use will, in future, be supplied to the Conservator with all Government Orders sent to him.
