Proceedings of the Madras Government, Public Works Department.
14th August 1867.

No. 343. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Public Works Department, dated Camp at Alur, 3rd August 1867, No. 51 :—

1. I have the honor to submit for the consideration of Government a letter, No. 445 of the 25th ultimo, from the Collector of Cuddapah, intimating that the establishment, as per margin, is urgently required to assist the Deputy Collector who has been deputed to arrange for the transfer of land, to the Madras Irrigation and Canal Company, for the sanctioned works in the Cuddapah District.

1 Clerk	...	...	Rupees 20
1 Do.	...	...	,, 18
		Total Rupees	38

2. In their Order of the 29th September 1863, No. 2,820, Government sanctioned an establishment of two Clerks at Rupees 20 each for the above purpose, and for sometime provision was made in the Budget; but as when the Budget of the current year was prepared there was no immediate probability of the Company's operations being extended to Cuddapah, and as the Government of India were apparently averse to the maintenance of such establishments in the adjoining district, no entry on account of the small Office establishment now asked for was made.

Vide Proceedings Madras Government, 20th April 1865, No. 1,039.

3. A similar reference for an establishment for the Kurnool District has not yet been finally disposed of. *Vide* Proceedings Madras Government, No. 2,172, dated 19th July 1867.

4. I have passed and sent to the Collector of Cuddapah sixteen land plans, including the areas marginally noted ;* and, as the early transfer of these lands is of importance, I think it would be advisable to accede to the request of the Collector of Cuddapah, and to authorize him to entertain the small establishment he has asked for. The cost of this establishment can, I have no doubt, be met from savings under other items of the Budget, though, being absent from my office, I cannot at the present moment point out from exactly what items a re-appropriation can be made. The last Statement† of expenditure, in comparison with the Budget allotment, will show that some savings have already accrued.

* Class A.	Acres	606·42.
B.	,,	340·62.
C.	,,	4·95.
D.	,,	4·65.

† That for April 1867 forwarded with letter No. 15, dated 30th May 1867.

5. I would request that the decision of Government may be conveyed to Mr. Smith, as early as may be convenient.

ESTABLISHMENT, No. 43.

G. O., 4th March 1867, No. 656.
,, 19th July ,, ,, 2,172.

As the Government of India have objected to charges similar to that referred to in these papers being debited to the Public Works Budget, the application of the Collector of Cuddapah will be referred to the Revenue Department for consideration.
