Proceedings of the Madras Government, Revenue Department,
10th September 1867.

No. 160. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated 4th September 1867, No. 202 :—

When the Australian Plantation was under the charge of the Executive Engineer of the Wellington Barracks, a sum of Rupees 16-13-7 was erroneously entered in the accounts in excess of sums actually drawn from the Coimbatore Treasury. The amount has been running on in the closing balance of the annual accounts of the Plantation. I beg that sanction of the Government be obtained to strike off this amount, which cannot be traced. I have vainly made every inquiry in my power, and the lapse of years renders success hopeless.

No. 161. ORDER THEREON, 10th September 1867, No. 2,124.

Forests, No. 4.

The Conservator is authorized to write the amount off the accounts.
