*Proceedings of the Madras Government, Revenue Department,
11th September 1867.*

No. 206. Read the following Proceedings of the Board of Revenue, dated 29th August 1867, No. 5,595.

Read the following letter from the Acting Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 31st July 1867, No. 217:—

1. I have the honor to forward, herewith, copy of a letter from the Superintending Engineer, 2nd Division, dated 30th July, No. 45, forwarding, for the sanction of the Board of Revenue and Government, plans and estimates for the construction of a branch road from Singapetta on the Allur and Kavurugunta road to Ullavapaliam, situated at the 128th mile of Trunk Road No. 6. The distance is three miles, and the proposed expenditure Rupees 11,500.

2. The object of the road is to shorten, by about seven miles, the line for travellers and traffic proceeding from the large town of Allur to Kavali, Ongole, and other towns and villages in a northerly direction. The road is undoubtedly calculated to be a very useful one, and as such I would recommend it for sanction.

From the Superintending Engineer, 2nd Division, to the Acting Collector of Nellore, dated Masulipatam, 26th July 1867, No. 45.

1. I have the honor to forward, for the sanction of the Board of Revenue and Government, plans and estimates, as per margin, for a branch road from Singapetta on the Allur and Kavurugunta road to Ullavapaliam, situated at the 128th mile of Trunk Road No. 6, amounting to Rupees 11,500.

2. At the present time traffic proceeding to Allur from the neighbourhood of Kavali, &c., has to proceed to the 124th mile-stone, and then eight miles thence to Allur. The present line will reduce the distance from twelve miles to about five miles, and be a very great public boon. The report which accompanies explains in detail the nature of the work proposed.
