No. 259. Proceedings of the Court of Wards, dated 24th August 1867, No. 5,494.

Read the following letter from the Acting Principal Assistant Collector, to the Collector of Ganjam, dated Chicacole, 11th July 1867, No. 397.

1. I have the honor, herewith, to forward copy of a letter from Mr. Falloon, the Apothecary in medical charge of Purla Kimedy, requesting an increase of pay for the charge of the Civil Dispensary.

2. Mr. Falloon at present draws an allowance of 70 Rupees as Apothecary, of which the whole is paid by the estate. In addition he draws from the estate an allowance of 15 Rupees per mensem for the charge of the Civil Dispensary.

3. The usual allowance for the charge of a Civil Dispensary elsewhere is 50 Rupees per mensem ; but as this would involve the estate paying 70+50=120 Rupees per month, I would submit that Government should undertake to pay two-thirds of his salary, and that the remaining one-third and 50 Rupees Dispensary allowance should be defrayed by the estate.

4. Mr. Falloon has charge of the general Police force and reserve at Kimedy, which occupies a considerable portion of his time.

5. Should you think favorably of his present application, I request you will refer the matter to Government for consideration.

No. 2,139.

COPY.—Submitted (without the enclosure) for the consideration and support of the Court of Wards. The Apothecary at Kimedy has medical charge of 301 Police of all ranks, besides other public servants. From an Abstract Return of the Dispensary for the year 1866, it appears that 372 in-patients and 1,064 out-patients were under treatment during that period. Being paid entirely by the estate, the Apothecary may be deemed the employé of the Zemindar ; but the Government reckon on his treating their servants. Should the Government not pay part of his salary ? That is the *first* point ; the *second* is, Is the Apothecary sufficiently remunerated, the charge of the Dispensary considered ? It is submitted he is not.

Collector.

CHETTERPORE,
24th July 1867.

To the Secretary to the Court of Wards.

---

1. Submitted to Government for their instructions.

2. Mr. Falloon is an Apothecary. He draws 70 Rupees per mensem on account of his Military pay and allowances, and Rupees 15 on account of the Civil Dispensary. Both these sums are paid by the estate.

3. Looking at the fact that Mr. Falloon has charge of 301 Police of all ranks, the Court submit that part of his salary should be paid by Government.

4. He is now admitted by underpaid. The Court would suggest that his pay be raised to Rupees 120 per mensem, of which Rupees 70, the pay of his rank, should be disbursed by Government, and the remainder Rupees 50 be charged to the estate.

Referred to the Inspector General, Indian Medical Department, and to the Inspector General, Madras Police, for their remarks.

Secretary to Government.

No. 260. From the Inspector General of Police, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 3rd September 1867, No. 1,547.

1. I would certainly support this application.

2. The Force named is that of the whole division, a part of which only goes to Kimedy for treatment. Notwithstanding, in consequence of the large number of men employed in the hills, the Apothecary has comparatively a heavy Hospital charge.

No. 261. From the Inspector General, Indian Medical Department, to the Secretary to Government, Revenue Department, dated Fort St. George, 3rd September 1867, No. 344.

1. With advertence to Proceedings of the Board of Revenue, referred to me under your docket of 28th August 1867, I have the honor to observe that the Dispensary at Purla Kimedy is a private institution, and that no returns or reports from it are sent to this Office.

Herewith returned.

2. Considering, however, the nature of the duties performed by Mr. Falloon, I am of opinion that, as contrasted with other Warrant Officers of his grade holding similar charges (at Combaconum and Conjeeveram), he is insufficiently remunerated; and I think his salary should be raised to the same amount as theirs, viz., 120 Rupees per month.

No. 262. ORDER THEREON, 14th September 1867, No. 2,169.

Miscellaneous.

1. The Government consider that the increased remuneration sought for Mr. Falloon, the Apothecary in charge of the Purla Kimedy Dispensary, is fairly due to him, but they observe that, as a general rule, the entire charge for medicines and medical attendance at Dispensaries is borne by Government, leaving to private beneficence to provide the building, furniture, clothing, perishable articles, and diet for the sick-poor.

2. This rule was observed in the case of the Dispensary recently established in the Ramnad Zemindary, and the Government see no reason why less liberality should be shewn to the Zemindar of Purla Kimedy.

3. They resolve, therefore, to authorize the Account Department to pass Mr. Falloon's Military pay and allowances, and the established allowance of Rupees 50 monthly for charge of a Dispensary as a Government charge, thereby relieving the estate to that extent. The necessary supply of medicines will also be made to the institution *gratis* from the Government Stores, if this is not already done.

Proceedings of the Madras Government, Revenue Department,
14th September 1867.

4. The Inspector General, Indian Medical Department, will instruct Mr. Falloon to send in the prescribed returns and reports, required from other Dispensaries similarly aided.
