No. 406. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 11th September 1867, No. 83 :—

1. With reference to G. O. No. 2,706, dated 3rd instant, and in continuation of my letter of 18th August, on which G. O. No. 1,942, dated 20th ultimo, was issued, I have the honor to suggest that the continuation of the Trunk Road No. 6 from Bezoarah to Perikeed be likewise hereafter considered a local road, as the Ellore canal for that distance forms the Imperial highway.

2. I would also beg to propose that as a first class navigable canal to Buntumilly Salt station is now opened, the line of road from Perikeed to that place (thirty-one miles), hitherto considered a "Salt road," may be in future classed amongst the District lines.

Referred to the Revenue Department.
