*Proceedings of the Madras Government, Revenue Department,
26th September 1867.*

No. 436. Read the following Proceedings of the Board of Revenue, dated 18th September 1867, No. 5,974.

Read the following letter from the Acting Collector of Madras, to the Secretary to the Board of Revenue, dated Sydapet, 7th September 1867, No. 296:—

1. I have the honor to forward, for the Board's information, the accompanying original letter with statement, received from Mr. Richardson, appointed to the Treasury of this district, on the subject of lands he holds in this district.

2. Mr. Richardson appears to have a fourth share in a Casuarina plantation at Kalangi, of 224 cawnies in extent.

3. No objection whatever appears to his being allowed to continue to hold the same.

From the Deputy Collector of Wynaad, to the Acting Collector of Madras, dated Manantoddy, 31st August 1867, No. 380.

1. In conformity with Rule VI. of the Board's Standing Orders No. 401, I have the honor to submit a statement of land I hold in the Madras District, which I inadvertently omitted to report sooner, owing to ill-health and a press of business, and trust the Board will overlook the omission.

2. I will of course, if the Board consider it necessary, dispose of my share, but would at the same time respectfully submit, for favorable consideration, that it will be a great hardship if I am compelled to do so, as my share in the plantation will realize very little at present, whereas it will be valuable in a few years; and beg, moreover, to state that I take no part whatever in the cultivation of it, and merely pay 25 Rupees a month as my share of the expenses to my brother, who has the entire management.
