*Proceedings of the Madras Government, Revenue Department,
1st October 1867.*

No. 11. Read the following letter from the Officiating Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 26th September 1867, No. 1,134/25 :—

1. In forwarding, for the information and orders of Government, the enclosed original letter from the Acting Collector of the Kistna District, on special duty, in the Settlement Department, with final adjustment order by the Acting Accountant General, I have the honor

to state that the Government in their Order of the 12th May 1866, No. 1,137, were pleased to approve my proposal that Mr. Wilson, then Head Assistant and Acting Sub-Collector of the Kistna District, should draw, as a remuneration for his additional duties in the Settlement

3. I am satisfied that this result was not contemplated by Government, and indeed, on Mr. Wilson's first appointment to the charge of the district, I took upon myself to assure him that his position in the Settlement Department would not be thereby affected. I request, therefore, that the Government will be pleased to declare him entitled to a continuance of the special allowance, but I think that the present opportunity may be conveniently taken to re-consider its amount. The sum hitherto drawn, a small one, when the importance of the duties performed in return for it are considered, represented the difference between the amount received by Mr. Wilson in his other capacities, and the full pay and allowances of a Deputy Director of Revenue Settlement. It no longer represents anything of the kind, and is therefore inappropriate as well as inadequate. I trust I shall not be considered unreasonable in recommending that from the date on which Mr. Wilson assumed charge of the district, he be allowed, as remuneration for his

Settlement duties, the difference between his pay and allowances as Head Assistant and Acting Collector and those of a Sub-Collector, acting as Collector, amounting to Rupees 398-5-4, as shewn in the margin. The whole is no more than he would be now receiving for the performance of his ordinary duties, had he been as fortunate as his coteremporaries in obtaining that substantive promotion, for which the very fact of his selection thus early for the post which he now holds proves that he is not unworthy.

Miscellaneous.

1. The Government consider Mr. Master's second proposal to be perfectly reasonable, and sanction it accordingly.

2. The Accountant General will pass the charge of Rupees 398-5-4 monthly against the Settlement Budget grant, as a special allowance to Mr. Wilson for the performance of the duties connected with the Settlement Department from the date on which he took charge of the Collectorate until he is relieved from that charge, when he will revert to the former rate which secured him the allowances of a Deputy Director of Revenue Settlement.

Revenue Department.

Sir,

In forwarding for the information and Orders of Government the enclosed original letter from the Acting Collector of the Krishna District, on special duty, in the Settlement Department, with final adjustment order by the Acting Accountant General, I have the honor to state that the Government in their Order of the 12th May 1866, N^o 1137, were pleased to approve my proposal that Mr. Wilson, then Head Assistant and Acting Sub Collector of the Krishna District should draw, as a remuneration for additional duties in the Settlement Department, the difference between the pay and allowances of the above posts, and those

those of a Deputy Director of Revenue Settlement amounting to Rs. 198-5-1, as shown in the Margin.

2. Mr. Wilson having since been appointed acting collector of the District, the Acting Accountant General considers his order granting him extra remuneration for his Settlement duties, (which he still performs) no longer in force, and pronounces him entitled, in the absence of the special sanction of Government, to the pay and allowances of a Head Assistant and Acting Collector only. Consequently Mr. Wilson's

promotion to the position and responsibilities of an Asst. Collector has increased his income by Rs. 1-10-8 monthly, as shown in the Margin.

3. I am satisfied that this result was not contemplated by Government, and indeed, on Mr. Wilson's first appointment to the charge of the District, I took upon myself to assure him that his position in the Settlement Department would not be thereby affected. I request therefore that the Government will

he pleased to declare him entitled to a continuance of the special allowance, but I think that the present opportunity may be conveniently taken to reconsider its amount. The sum hitherto drawn, a small one, when the importance of the duties performed in relation to it are considered, represents the difference between the amount received by Mr. Wilson in his other capacities, and the pay and allowances of a Deputy Director of Revenue Settlement. It no longer represents any thing of the kind and is therefore inappropriate as well as inadequate. I trust I shall not be considered unreasonable in recommending that from this date on which Mr. Wilson resumed charge of the District, he be allowed as remuneration for his Settlement duties, the difference between his pay and allowances as Head Assistant and Acting Collector and those of a Sub Collector acting as Collector, amounting to Rs. 398-5-1, as shown in the Margin. The whole
