*Proceedings of the Madras Government, Revenue Department,
2nd October 1867.*

No. 47. Read the following Proceedings of the Board of Revenue, dated 21st September 1867, No. 6,086.

Read the following letter from the Acting Collector of Madras, to the Secretary to the Board of Revenue, dated Sydapet, 10th August 1867, No. 257 :—

1. The Board are aware that, during the interval between Mr. Fane's departure and my joining this Office, Mr. Burnell was in charge of the district, and was thus entitled to deputation allowance of Rupees 377-6-8—*vide* Board's Standing Order, No. 389-1.

2. Mr. Burnell drew the amount from the treasury, but the Acting Accountant General has retrenched the amount for want of Government order appointing Mr. Burnell to the charge of the district during the interval in question.

3. I have, therefore, the honor to request the Board will move Government to sanction the allowance in question. A copy of Mr. Burnell's application on this subject is herewith forwarded for the Board's information.

From the Acting Sub-Collector, to the Acting Collector of the Madras District, dated Chingleput, 8th August 1867, No. 132.

1. According to the Board's Standing Circular No. 389-1, I am entitled to Rupees 377-6-8, as deputation allowance for the time I was in charge of the district, namely, from 4th to 30th May 1867, the interval between Mr. Fane's departure and your arrival. I submitted a bill and drew the amount; but the Deputy Collector in charge of the Treasury has intimated to me that it will be deducted from my salary bill for the current month under the order of the Acting Accountant General, copy of which is enclosed. The Acting Accountant General says that the claim to deputation allowance is inadmissible, for want of an order of Government appointing me to the charge of the district. I have, therefore, the honor to request that you will be good enough to ask the Board to obtain an order of Government, authorizing me to draw the deputation allowance to which I am entitled under the order above quoted.

2. As it appears that I am clearly entitled to the allowance, it is not necessary to enlarge upon the amount of extra work which fell on me during the time I was in charge.
