*Proceedings of the Madras Government, Public Works Department,
26th September 1867.*

No. 661. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Namakal, 18th September 1867, No. 115 :—

1. In the Supplemental Local Fund Budget of the Salem District, which accompanied G. O. No. 2,755 of the 7th

Repairs to 8 miles of road from Karoor to Morapoor	RS. 800
Do. to 5 miles from Ootangiri to Shamalputty	500
Do. to 11 miles between Salem and Senkaridroog	523
Do. to 10 miles do. do.	570
Do. to 9 miles from Salem to Onaloor	855
Do. to road between Salem Town and Railway Station (a portion of grant of Rupees 1,027)	500
	<u>3,748</u>

September, the roads noted in the margin, which have been hitherto maintained from the Imperial Fund by the Department Public Works, are ordered to be transferred to the Revenue Department, to be kept up from the District Road Fund. In the current year's Imperial Budget these roads are provided with funds amounting in the aggregate to Rupees 3,748; and as I have now direct-

ed the Range Officers to make over the roads to the Revenue Department, and recover the sums already laid out on them from the Imperial Fund, the said amount has become available for other Imperial works.

2. As the demands for repair of Irrigation works in this district, particularly in the Salem Range, are daily increasing, and as there are several estimates approved by the Collector, and laid aside for want of funds, I have the honor to request that the Government will be pleased to transfer the said saving of Rupees 3,748, under Repairs "Communications," to supplement the inadequate grant under repairs "Agricultural" for the District.

No. 662. ORDER THEREON, 26th September 1867, No. 3,004.

ACCOUNT, No. 69.

The Government grant authority for the savings referred to in this letter being taken to supplement the "Agricultural" repair allotment of the Salem District for the current official year.
