*Proceedings of the Madras Government, Revenue Department,
3rd October 1867.*

No. 70. Read the following letter from the Officiating Commissioner of Cuttack Division, to the Secretary to Government, Revenue Department, Fort St. George, dated Cuttack, 18th September 1867, No. 451 :—

In continuation of my No. 428, of 5th September 1867, I have the honor to report that the progress of cultivation continues favorable; the early rice has been cut in many places, and the crop is a good one, the late rice also promises well; no serious inundations have occurred, and by the last accounts prices of food in Khoordah have fallen to an average of sixteen Cuttack seers per rupee all over the country. As the season advances, the chances of serious inundation decrease, and our prospects for the coming season become more hopeful.

No. 71. ORDER THEREON, 3rd October 1867, No. 2,314.
