*Proceedings of the Madras Government, Public Department,
30th September 1867.*

No. 222. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 20th September 1867, No. 371.

I have the honor to submit, for the consideration and orders of Government, that, some time ago, Monseigneur Tissot, the Roman Catholic Bishop of Vizagapatam, applied to His Excellency the Governor for permission to obtain, on *pryvent*, from the Presidency Stores, some medicines for the use of the Famine Orphans placed in charge of the Roman Catholic Mission, and for whose maintenance Government allows the Bishop Rupees 2-8-0 a month per head.

2. In communicating this request to me, Lord Napier suggested that, if possible, medicines should be issued, with discretion, gratuitously for this purpose.

3. Before offering an opinion on this point, it was necessary for me to ascertain the amount of the Bishop's requirements, and I only yesterday received the enclosed 'List' from him.

4. The supply asked for is a very small one, and the cost would be trifling to Government, while probably it might fall rather heavily on the limited funds at the disposal of the charity. Under these circumstances, I venture to solicit that, as an act of benevolence, Government may be pleased to sanction the medicines required being issued gratuitously.

No. 223. ORDER THEREON, 30th September 1867, No. 1206.

Sanctioned.
