No. 126. Read the following letter from the Acting Collector of Trichinopoly, to the Secretary to Government, Revenue Department, Fort St. George, dated Tuplatoray, 17th September 1867, No. 52:—

1. Adverting to paragraph 2 of the Proceedings of Government, dated 12th instant, No. 2,150, Revenue Department, I have the honor to observe that I have already informed the Government that the bungalow at Musery is not in a fit state to be permanently occupied by a lady and gentleman, and that it is not convenient either to Mr. Martin or myself to make the requisite outlay.

2. Under these circumstances, I am not willing to demand rent, nor do I feel called upon to give up the occupation of the bungalow for nothing. Unless, therefore, Government are prepared to accept the offer I have made, I shall continue to hold the bungalow for my own use whenever duty takes me to the Musery talook.

3. I omitted to mention in my former letter that there are sixteen cawnies and odd of land attached to the bungalow.

No. 127. ORDER THEREON, 5th October 1867, No. 2,342.

Miscellaneous.

1. Mr. Vans Agnew appears to be under some misapprehension as to the practice in these matters.

2. The Government in this Presidency have not and do not recognize any obligation on them to provide private residences for their servants, although in some cases officers are permitted to occupy a portion of a building purchased for an office, but affording more accommodation than is required for that special purpose.

3. They are not prepared to adopt a different course in the present instance.
