*Proceedings of the Madras Government, Revenue Department,
5th October 1867.*

No. 123. Read the following Proceedings of the Board of Revenue, dated 1st October 1867.

Read Proceedings of the Madras Government, Revenue Department, dated 5th September 1867, No. 2,072.

1. Communicated to the Collector of Kurnool.
2. The Board observe that in making the suggestions referred to in paragraph 4 of the Government Order they had the Toombudra project in view, as they presumed, that if a guarantee were granted, a separate contract would be necessary; the existing one only providing for the Kurnool project.

No. 129. ORDER THEREON, 5th October 1867, No. 2,343.

Irrigation, No. 4.

1. Communicated to the Department Public Works.

2. The Board doubtless intend to refer to the possible guarantee of interest on the capital that may be needed for the execution of the "Upper Bellary project" forming part of the "Toombudra project," of which the Kurnool Canal works form another section.

3. The existing contract has reference to the whole of the Toombudra project, but guarantee interest only on the capital of one million sterling which has proved insufficient for the Kurnool section.

4. Should any further guarantee be given, a new contract would doubtless have to be executed; and in this event the provisions suggested by the Board to meet the cost of collection of water-rate by Government and the risks of loss to Government by death, insolvency, or absconding of ryots, or by failure of irrigation to lands converted from dry cultivation to wet, will properly come to be considered.
