*Proceedings of the Madras Government, Revenue Department,
5th October 1867.*

No. 130. Read the following Proceedings of the Board of Revenue, dated 24th September 1867, No. 6,137.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 11th September 1867, No. 253:—

I have the honor to forward, for the seal of Government, three Title Deeds,
2, For Mr. Ar edee Louis Vonsohsten. in duplicate, for ground purchased at
1, For the widow of Vasamsetti Kamudu. auction by the individuals noted in
margin, together with plans attached
3 to them.

ENCLOSURES Nos. 1 to 3.—Title Deeds in duplicate.

1. Ordered that the two Title Deeds, in duplicate, numbered IV and V respectively, received with the above letter, be submitted for the seal of Government, in accordance with Rule 7 of the "Subsidiary instruction relating to the sale of unassessed waste lands in the Madras Presidency," contained in the Board's Standing Order, No. 151.

2. The Collector will be requested to enter the date of the Indentures under his signature in the plans as the date on which the latter documents were approved by him; and also to number the plans to correspond with the Deeds.

3. Deed No. III will be returned to the Collector for revision, there being ample time for this purpose, and the extent of the property involved being incorrectly expressed both in the body of the Deed and in the Schedule. The words "British Statute Acres" should not be struck out, but the word "none" be written after them, and the word "hundredths" substituted for "decimals." The Collector's initials must be affixed to the alterations, and the date of approval and the number be entered in the plan.

No. 131. ORDER THEREON, 5th October 1867, No. 2,344.

Land Revenue.

1. Ordered that Title Deed No. IV be sealed and returned.

2. The residence of the witnesses to the purchaser's signature, which has been omitted in this Deed, should be entered under their names; and the seal of the purchaser (besides that of the Collector) should be affixed to the end of the thread with which the plan is stitched to the Deed.

3. Deed No. V cannot be sealed, as it is drawn out in the name of Vasamsetti Kamudu, who is reported to have died. The Deed will therefore be returned to the Board, who will instruct the Collector to have a fresh one prepared, covenanting with Kamudu's widow, who has put her mark and seal to the present Deed, as the representative of the deceased, if he is satisfied that she is his legal heir. In preparing this Deed, the Collector will attend to the instructions in paragraph 2 above. The difficulty that has arisen in this case appears to have resulted from the excessive delay of nearly two years that has been allowed to occur between the sale and drawing out the Title Deeds.

4. The Government desire to have full explanation on this point.
