*Proceedings of the Madras Government, Revenue Department,
8th October 1867.*

No. 184. Read the following Proceedings of the Board of Revenue, dated 7th October 1867.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chendragherry, 4th October 1867, No. 281 :—

1. I have the honor to report that on Sunday, the 29th ultimo, at about half past 10 A. M., a slight earthquake was felt at Chittoor, the sound which announced it resembled the noise which would be produced by the explosion of a large gun or Powder Magazine if heard at a distance.

2. It continued for upwards of a minute, and seemed to be passing from the north-west in a south-easterly direction. Whilst passing down the South-West and North-West Lines of Railway on the following morning, I ascertained that the occurrence had been noticed at all the principal stations, but from the accounts I should say that the shock was less perceptible in that part of the district than it had been at Chittoor.

Submitted for the information of Government.

No. 185. ORDER THEREON, 8th October 1867, No. 2,367.
