Proceedings of the Madras Government, Revenue Department, 10th October 1867.

No. 230. Read the following Proceedings of the Board of Revenue, dated 21st September 1867, No. 6,075.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 24th August 1867, No. 229:—

I have the honor, with reference to the Order of Government, dated 15th instant, No. 1,909, to state that no land has been granted in endowment of the Chuttrum near the Tripetti Railway Station. Government have, however, the means of exercising some pressure on the proprietor, by requiring him to pay the proportionate sale price in fee-simple on the land, if the improvements, suggested in my letter to Government embodied in the Order under reference, are not made within (say) six months from date of Order.

Submitted to Government, with reference to their Order, dated 15th August 1867, No. 1,909.

No. 231. ORDER THEREON, 10th October 1867, No. 2,389.

Miscellaneous.

The Government authorize the Collector to inform the proprietor of the Tripetti Chuttrum that if he persists in neglecting to carry out the sanitary improvements to the building and site which are necessary, beyond such reasonable time as the Collector may allow, the Government will be compelled to deprive him of the privilege of a free site which he has hitherto enjoyed, and, on the other hand, that if within the time named he places the Chuttrum in a condition to satisfy all the requirements of the public officers, the Government will be prepared to consider favorably any recommendation from the Collector for the endowment of the Chuttrum in the usual manner. The Collector will in due course report the result.
