*Proceedings of the Madras Government, Revenue Department,
10th October 1867.*

No. 232. Read the following Proceedings of the Board of Revenue, dated 26th September 1867, No. 6,194.

Read the following letter from the Superintending Engineer, 2nd Division, to the Collector of the Kistna District, dated Masulipatam, 10th August 1867, No. 103 :—

1. Referring to paragraph 6 of Proceedings of Revenue Board, embodied in Proceedings of Government of 28th June 1867, Revenue Department, appended to Government Order, No. 2,115,

dated 13th July, Public Works Department, I have the honor to forward, for the sanction of the Board, an estimate, amounting to Rupees 12,350, for making an embanked road from Masulipatam across the swamp, towards Sullapully.

2. The swamp at present is impassable in the rains, and as the line is that invariably used when practicable by traffic on account of its directness, its formation into a regular embanked road will be of very great public service. The excavation will serve as a drain for the swamp water, so that two benefits will accrue from its construction.

3. I beg that Rupees 5,000 of the sum lately sanctioned for the Guntoor and Suttanapully road may be transferred to this work for expenditure during the current year, as labor is not obtainable to the extent needed in the neighbourhood of Guntoor.

—
No. 285.

1. Forwarded, in original, to the Board of Revenue, with reference to paragraph 6 of their Proceedings, No. 3,766, dated 18th June, and Government Order, No. 2,115, dated 13th July 1867, thereon.

2. The necessity for the work has been already admitted.

MASULIPATAM,
16th August 1867.

(Signed) W. WILSON,
Acting Collector.

To the Secretary to the Board of Revenue.

—
ENCLOSURES Nos. 1 and 2.—Estimate and Plan.
—

1. The estimate, amounting to Rupees 12,350, is submitted for the sanction of Government, with reference to paragraph 6 of the Board's Proceedings, dated 18th June 1867, No. 3,766.

2. The work appears in the Supplemental District Road Fund Budget as item No. 2, with the amount of the estimate given as Rupees 8,870, and with an allotment of the same sum.

3. In paragraph 3 of the Superintending Engineer's letter above referred to, that Officer applies for a transfer of Rupees 5,000 out of the sum lately sanctioned for the Guntoor and Suttanapully road for expenditure on the work in question during the current year, without making any allusion to the provision noticed above. The Acting Collector simply forwards the letter with an endorsement on

it. The Board, therefore, request the Acting Collector to state, at an early date, whether the transfer sought is in addition to the sum provided in the Supplemental Budget. The difference between the estimate now submitted and the allotment already made is only Rupees 3,480, and can be easily supplied without withdrawing funds from any other work. On receipt of this information, the necessary orders will be issued by the Board.
