Read the following telegram from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Cumalapore, 26th January 1867:

1. Your letter, 23rd January.
2. Barnett's proposal was sent you long ago. Some miscarriage in the tappal.

Mr. Barnett's letter did not reach the Board. The Collector is requested to quote the date and number of his covering letter submitting it, and to forward a copy.

No. 237. Proceedings of the Board of Revenue, dated 3rd October 1867, No. 6,299.

Read again Proceedings of Government, dated 19th January 1867, No. 206, recorded in Board's Proceedings, dated 23rd idem, No. 518, and telegram from Collector of Cuddapah, dated 26th January 1867, recorded in Board's Proceedings of 1st February, No. 692.

Read also the following letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated 16th August 1867, No. 110.

With reference to Board's Official Memorandum of the 6th instant, No. 825, calling for a copy of Mr. Barnett's letter for the construction of certain causeways as required in Board's Proceedings, dated 1st February 1867, No. 692, I have the honor to state that I am unable to forward a copy of Mr. Barnett's letter, which has been mislaid. No covering letter was sent with it.

---

1. In the Proceedings of Government above quoted, a letter is recorded from Mr. Barnett, C. E., stating that he had, in October 1866, submitted, through the Collector of Cuddapah, a proposal to construct a causeway across the bed of the Chittravatty river, and forwarding direct a copy of a letter already sent through the Collector.

2. The Government sanctioned the proposed plan on certain conditions, and requested the Board to call upon the Collector for an explanation of his delay in forwarding Mr. Barnett's first communication.

3. The Proceedings of Government were forwarded to the Collector with Board's Proceedings, dated 23rd January 1867, No. 518, in an answer to which a telegram was received stating that Mr. Barnett's proposal had been long before submitted to the Board. It had, however, never been received in the Board's Office, and the Collector was requested in their Proceedings, dated 1st February 1867, No. 692, to quote the date of his covering letter submitting it, and to forward a copy of the same.

4. Mr. Smith failed to reply to this reference for six months, and now reports that he sent no covering letter, and kept no copy of Mr. Barnett's letter. The Board consider Mr. Smith much to blame for conducting business in this lax way.
