Read the following papers :—

No. 239. From the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 24th September 1867, No. 40.

1. In consequence of the appointment of the Manager of my Office, C. Parthasaradhi Iyengar, to officiate as Deputy Collector in the Commission, I appointed, in 1864, my Deputy Manager A. Krishnasami Iyer, B. A., to act for him. A. Krishnasami Iyer's substantive appointment of Deputy Manager has since been abolished, but he has continued to act as Manager on full pay. Owing to his ill-health, I granted him in May last privilege leave for three months, which however was subsequently converted into sick leave, on his application for an extension on medical certificate.

2. The Examiner of Claims raised no objection when I granted him privilege leave, but he now objects to allow Krishnasami Iyer any pay during the period of his absence on leave, on the ground that he holds no substantive appointment, but simply acts for another.

3. Krishnasami Iyer has rendered good service in the Commission, and has been virtually the permanent Manager of my Office for the last three years. His services will be required till almost the close of the Commission, as there is no prospect of Parthasaradhi Iyengar's returning from the district of Godavery before the end of the official year 1868-69. I was even once obliged to refuse to spare his services when he received an offer of permanent employment in the district of Malabar.

4. Under these circumstances, I have the honor to request that the Government will be pleased to declare that Krishnasami Iyer's service as Acting Manager shall count for pension, and to authorize the Examiner of Claims to pass to him half his salary during the period of his absence on sick leave.

Referred to the Examiner of Claims for report.

No. 240. Memorandum from the Examiner of Claims, to the Secretary to Government, Revenue Department, dated 8th October 1867, No. 754.

The undersigned has the honor to report that the proposal of the Officiating Inam Commissioner cannot be acceded to without the special sanction of the Government of India, and it appears inexpedient to apply for the same when the object sought for can be obtained in accordance with existing rules by a different mode of procedure, viz., by confirming, with retrospective effect, from date of abolition of Deputy Manager's post, the two servants in the Inam Commission interested in the present application, viz., the Acting Deputy Collector and the Acting Manager. To confirm the latter only in his acting appointment, would have the effect of throwing the former, Parthasaradhi Iyer, who is the permanent incumbent of the same, out of permanent employ, and cause him to forfeit for pension the period he has served as Acting Deputy Collector from the date referred to, thus making him a loser for the other's gain; but there appears to the

Proceedings of the Madras Government, Revenue Department,
10th October 1867.

Examiner of Claims to be no reason why the Acting Deputy Collector should not also be confirmed in his acting appointment, as the Inam Commission is a special department, and he would not be in excess of the sanctioned list of Deputy Collectors any more when confirmed than while he is acting, and Government will not be put to any extra expense by adopting the course suggested, as both these men are drawing the full pay of the respective appointments. Further, the confirmation of the Acting Deputy Collector will be in precise accordance with the course pursued when the Commission was established, as then the Inam Deputy Collectors were appointed permanently in excess of the general list, and as opportunities offered they were drafted into the same when Government could dispense with their services on special duty, in consequence of the operations of the Inam Commission drawing towards a close.

Examiner of Claims.
