Proceedings of the Madras Government, Revenue Department, 11th October 1867.

No. 244. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 28th September 1867, No. 267 :—

1. I beg to enclose an application from the Assistant Conservator of Cuddapah for the services of an Overseer as formerly sanctioned.—*Vide* G. O., 14th June 1862, No. 1,312, but subsequently dispensed with, G. O., 16th July 1862, No. 1,537, paragraph 6.

2. I have just returned from the district, and have seen the rapid destruction of jungles to meet the railway consumption, and believe that it is very important to strengthen Mr. Yarde's establishment, and to conserve the jungles with the greatest possible care.

3. The formation of large reserves, convenient to the railway, is an important work, while the control of five contractors, to each of whom a large belt of firewood jungle has been assigned, is a pressing duty, and the transfer of the lands which the railway agreed to take for planting, but subsequently gave up, is a third work which will require much attention.

4. Considering the climate and exposure, I propose that the Overseer should draw 80 Rupees a month with 15 Rupees of travelling allowance.

5. The revenue of the district will bear this additional charge, as may be seen by the subjoined statement of receipts and expenditure for the last five years:—

Years.	Receipts.	Charges.

1. The Government authorize the Conservator to employ an Overseer in the Cuddapah District on 80 Rupees monthly pay with 15 Rupees travelling allowance.
