Proceedings of the Madras Government, Revenue Department, 17th October 1867.

No. 343. Read the following Proceedings of the Board of Revenue, dated 8th October 1867, No. 6,426.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 21st August 1867, No. 202:—

1. On receipt of the Government Order of the 17th February 1866, No. 425, directing that the several stations on the Neilgherry Hills be mapped on a sufficiently large scale, the following limits were, in communication with Major Hessey, Deputy Superintendent of Revenue Survey, assigned for the Survey operations of the several stations, namely,

I. For Ootacamund, a range of three miles from the Jail.
II. For Coonoor, a range of two miles from Gray's Hotel.
III. For Kotergherry, a range of two miles from the Church.

2. Major Hessey now informs me that, for the first two stations, the assigned boundaries have been marked out and surveyed. In regard to the third station, he states that as this settlement is small and is not increasing, and as a range of two miles will stretch a long way down the ghaut over very difficult ground, he thinks a range of one mile will be ample. I have accordingly given my assent to this proposal, and trust that the limits of Kotergherry as now assigned, as well as those of the other two stations, will meet with the approval of the Board.

For Ootacamund, a range of three miles from the Jail.
For Coonoor, a range of two miles from Gray's Hotel.
For Kotergherry, a range of one mile from the Church.

The Board approve of the limits, as per margin, assigned for Survey operations at, and the preparation of Maps on a large scale of, the three stations in question; and resolve to submit these Proceedings for the information of Government.

No. 344. ORDER THEREON, 17th October 1867, No. 2,444.

Miscellaneous.

1. The Government desire that *excluding the ghaut* the range of the Kotergiri survey be two miles from the Church.

2. The arrangements for the stations of Ootacamund and Coonoor are approved.
