*Proceedings of the Madras Government, Revenue Department,
19th October 1867.*

No. 393. Read the following Proceedings of the Board of Revenue, dated 14th October 1867, No. 6,680.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated 9th September 1867, No. 248:—

1. I have the honor to bring to the notice of the Board that, at the survey, an Inam, amounting to Gulies 2-15-3, taxed at Rupees 2-8-6, was allowed for the office of Toty in the village of Kannanur, in the Tirumūngalum talook. The remuneration for the service rendered by him is now inadequate. In the same village Niranikans hold 31 $\frac{1}{4}$ gulies of dry land, assessed at Rupees 21-13-10, as Inam for their services, of which Gulies 9-8-0 were, under the orders of the Curnum, in 1837, improperly transferred to the office of Toty, who, from that period down to 1867, held possession.

2. The Niranikan instituted a suit in the Deputy Collector's Court against the Toty under Regulation VI of 1831 for the recovery of Gulies 9-8-0, being a portion of the Inam originally allowed for his office, which was in 1867 accordingly decreed to him. The annual revenue of the village amounts now to Rupees 1,248. At Fysul the revenue was only Rupees 475.

3. I therefore request the sanction of the Board to allow the Toty an additional Inam of Gulies 39-10-3, taxed at Rupees 21-2-0, out of the available waste of the village.

1. Submitted for the orders of Government, with the Board's recommendation that the Collector's proposal to increase the Inam at present attached to the office of Toty in the village of Kannanur, by an additional grant of waste land to the extent of Gulies 39-10-3, assessed at Rupees 21-2-0, may be sanctioned.

2. The extent of the entire Inam will then be—

	Extent.			Assessment.		
	G.	A.	A.	RS.	A.	P.
Present Inam	2	15	3	2	8	6
Addition proposed	39	10	3	21	2	0

Total Inam 42 9 6 23 10 6

3. The Government will observe that the annual revenue of the village has increased from Rupees 475 to Rupees 1,248 since the Fysul.
