*Proceedings of the Madras Government, Revenue Department,
19th October 1867.*

No. 398. Read the following letter from the Officiating Inam Commissioner, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 15th October 1867, No. 43 :—

1. Adverting to paragraph 4 of my Budget Report of this day's date, I have the honor to request that the Government will be pleased to place the services of third class Deputy Collector V. Venkatachellum at my disposal, from the 1st proximo, for employment in the investigation of Inam tenures in the Kistna district. Having been formerly employed in the Inam Commission, he is well qualified for the work. He is besides on the spot, being employed on general duties in the Kistna district.

2. I propose that V. Venkatachellum shall be allowed to entertain an establishment on the same scale as that sanctioned for the Deputy Collector now employed in the Godavery district, and to draw the usual allowances of batta and mileage for himself and his establishment.

3. Under the existing sanction, Deputy Collector C. Parthasaradhi Iyengar cannot be employed in the Godavery District after the end of next month. As, however, it will be seen from paragraph 3 of my Budget Report, that the work he is engaged upon cannot be completed by that time, I request that I may be allowed to retain his services until the close of the present official year.

4. In January next it is my intention to depute one of my Assistants for the investigation of certain Inam tenures in the Madras district. While absent from the Central Office on duty, he and his establishment are entitled to draw batta and mileage, but as no provision for this charge has been made in the Budget, I solicit the sanction of Government to their drawing these allowances.

5. All the above expenditure can be met from savings in the Budget sanctioned for the current year.

No. 399. ORDER THEREON, 19th October 1867, No. 2,467.

Land Revenue.

1. Ordered accordingly that the services of Deputy Collector V. Venkatachellum be placed at the disposal of the Officiating Inam Commissioner from 1st November, for the purpose of completing the investigation into the Inam tenures of the Kistna district.

2. The retention of Deputy Collector C. Parthasaradhi Iyengar's services in the Godavery district for the same purpose is sanctioned.

3. The other arrangements proposed by the Officiating Inam Commissioner are approved and sanctioned.

Offg. Indian Commissioner

This is not improbable - but one must
go, whether or no, until the investi-
gation - one of the most important in
many respects - that could have been
undertaken - has been thoroughly
and effectively completed. The
field expands as the inquiry pro-
ceeds, and it is scarcely possible
for Mr Blair or anyone else, how
cautiously soever he may frame
his criticisms, to predict with cer-
tainty when the Commission will
be wound up. JH.

It seems the work required is being
done as rapidly as is compatible with
a thorough & conclusive investigation &
decision. JH.
