*Proceedings of the Madras Government, Revenue Department,
21st October 1867.*

No. 412. Read the following Proceedings of the Madras Government in the
Public Works Department:—

Communicating to the Consulting Engineer }
Madras Irrigation and Canal Company Reve- } (Here enter 14th October 1867, No. 3,173.)
nue Proceedings on the question of the estab- }
lishments required for making over land to }
that Company.

No. 413. ORDER THEREON, 21st October 1867, No. 2,473.

Miscellaneous.

1. Communicated to the Revenue Board, with refer-
ence to paragraphs 4 and 5 of G. O. dated 10th October
1867, No. 2,384, Revenue Department.

2. They will observe that it is unnecessary for them to make any provision
for the Surveyor and Lascars employed in connection with the transfer of land in
Kurnool and Cuddapah to the Madras Irrigation and Canal Company, either in the
current, or next official year, as sanction for the requisite charge has been already
given in the Department Public Works.

*Proceedings of the Madras Government, Public Works Department,
5th October 1867.*

No. 99. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department Public Works, dated Madras, 24th September 1867, No. 81:—

1. I have the honor to point out that in requesting Government to sanction the further employment of the Surveyor and Lascars engaged in connection with the transfer of land to the Madras Irrigation and Canal Company, two Lascars instead of four were by an oversight named. The Collector of Cuddapah has brought to notice that the Surveyor is impeded in his work by having only two Lascars, and, as there is provision in the Budget of the current year for four, I would request sanction for their entertainment.

2. The provision for the salaries of the Surveyor and Lascars is shown in the Budget as made for Kurnool. In June last I transferred them from Kurnool to Cuddapah, where their services were required, and it may perhaps be necessary to authorize the Controller of Public Works Accounts to pass the salary bills for Cuddapah, instead of for Kurnool.

3. The present sanction for the establishment above referred to will lapse in November,* and as the Surveyor will probably be required for about one and a half years more, I beg to recommend

* *Vide* orders quoted above.

that the sanction be extended up to the end of 1868-69. There is, as is before mentioned, provision in the Budget up to the end of the current year, and the requisite provision for 1868-69 can be made in the Budget estimate now under preparation.

No. 100. ORDER THEREON, 5th October 1867, No. 3,095.

ESTABLISHMENT, No. 12.

1. As the Budget for the current official year contains provision for four Lascars to be employed under the orders of the Surveyor who is engaged in connection with the transfer of land in Cuddapah to the Madras Irrigation and Canal Company, and as it appears that only two Lascars have hitherto been employed, the Government sanction the entertainment of two additional Lascars.

2. The Governor in Council also authorizes the continued employment of the Surveyor and Lascars up to the end of the present official year, and directs that the necessary provision be made for the establishment in the Consulting Engineer's Budget for 1868-69, the fact being noticed in the letter giving cover to that document.

3. Adverting to paragraph 2 of Captain Mullins' letter, the Controller is authorized to pass the salary bills for Cuddapah instead of for Kurnool.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Consulting Engineer for Madras Irrigation and Canal Company.

„ Manager for do. do.
