*Proceedings of the Madras Government, Public Department,
9th October 1867.*

Read the following papers:—

No. 89. From the Acting Magistrate of Nellore, to the Chief Secretary to Government, Fort Saint George; dated Sularpett, 19th September 1867, No. 234.

I have the honor to enclose copy of a letter, dated 12th instant, No. 108, addressed to me by the Vice-President of the Municipal Commission at Nellore.

2. The Commissioners propose to undertake the management of the Town Pound if the collections are made over to them. As this course appears to have been already adopted in Cuddapah, I request sanction to accede to the Commissioners' proposal.

From the Vice-President of the Municipal Commission, Nellore, to the Acting Magistrate of Nellore; dated Nellore, 12th September 1867, No. 108.

I have the honor to enclose copy of a Resolution passed at the last Meeting of the Municipal Commissioners of Nellore, and to request that, if you see no objection to the measure, you will make arrangement for the transfer of the Town Pound to the Municipality. The Commissioners will undertake the responsibility of keeping it in repair if the collections be made over to them. The reasons in favor of their having the management of it are obvious. There is also precedent

* 2nd Supplement to the "Cuddapah District Gazette" of 17th August 1867. for the transfer, the Town Pound of Cuddapah having, as appears from the Municipal report,*

been made over to the Cuddapah Commissioners.

No. 90. Proceedings of the Board of Revenue, dated 21st September 1867, No. 6078.

Read letter from the Collector of Bellary, to the Secretary to the Board of Revenue; dated 9th September 1867, No. 174.

I have the honor to request to be informed whether the Town Cattle Pounds in Municipalities should be handed over to the Municipality, who will pay the Pound-keeper, and credit the proceeds of fines on stray cattle to the Municipality, or whether such Pounds are to be maintained at the expense of the Pound Fund, and the proceeds credited thereto.

Submitted for the orders of Government.

No. 91. ORDER THEREON, 9th October 1867, No. 1252.

Cattle Pounds are, under the provisions of Act III of 1857, under the control of the Magistrate, and Heads of villages are ex-officio keepers of village Pounds. The Government cannot, therefore, make any changes in the arrangement for the charge and management of Pounds.

*Proceedings of the Madras Government, Public Department,
9th October 1867.*

2. The question whether any surplus which may remain after defraying all expenses, and which at present is credited to Local Funds, shall be transferred to the credit of Municipalities, will be determined in the Revenue Department.

3. The course adopted in the Cuddapah Municipality, in transferring the management of the Pound from the charge of the Magistrate to the Commissioners, and crediting the Municipality with the Pound Funds, which was communicated in the half-yearly Report of the Commissioners, did not at the time attract the attention of Government. The management of the Pound will be again at once transferred to the Magistrate, and the Commissioners will hold themselves responsible for the refund of the surplus receipts which may have accrued, until orders have been passed on the subject in the Revenue Department.
