G. O. No. 2,112, dated 9th September 1867, Revenue Department.

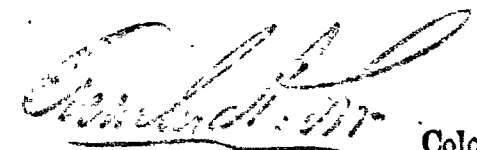

With reference to the Orders of Government as per margin, I have the honor to request instructions as to whether provision is to be made in the Public Works Department in the Budget of 1868-69 for establishments to aid the Collectors of Kurnool and Cuddapah in transferring land to the Madras Irrigation and Canal Company, and also, with reference to my letter No. 81, dated 24th ultimo, whether provision for a Surveyor and Lascars may be entered in my Budget statements.

No. 203. ORDER THEREON, 11th October 1867, No. 3,146.

ACCOUNT, No. 23.

The Government have in a separate order upon the Consulting Engineer's letter of the 24th ultimo, No. 81, authorized provision being made in his Budget statements for the year 1868-69 for the salaries of the Surveyor and Lascars employed in connection with the transfer of land in Cuddapah to the Madras Irrigation and Canal Company, and as the Government of India have objected to the establishments required to aid the Collector in making such transfer, forming a charge against the Public Works Budget, Captain Mullins will omit them from his Budget for the ensuing official year.
