Proceedings of the Madras Government, Revenue Department, 25th January 1867.

No. 520. Read the following Proceedings of the Board of Revenue, dated 17th January 1867, No. 315.

Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated Camp at Hindupur, 4th January 1867, No. 1 :—

With reference to the remark of the Board of Revenue on the Season Report ending 30th November last, that it should be made by the Collector, and not by the Deputy Collector, I have the honor to inform the Board of Revenue that, being at present at Hindupur, 120 miles from Bellary, it would take eight days for the return from Hurpunhully (sixty miles further distant) to reach me, and in re-forwarding the return to the nearest General Postal Station at Anantapur, and thence to Gooty, four days more would elapse, so that the return could not be sent with less than a fortnight's delay. I consequently desired the report to be compiled at District Head-quarters from the Talook Returns during my absence on circuit. I have requested the Senior Covenanted Assistant at Bellary to revise the reports before transmission. Should the Board still desire that the Season Report should be furnished by my Office on circuit, I shall instruct the Talook Returns to be sent to me ; but this will involve delay, as before observed.

The Board are quite satisfied with the Collector's explanation.
