Proceedings of the Madras Government, Revenue Department, 25th October 1867.

No. 484. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Cannanore, 16th October 1867, No. 112:—

1. I have the honor to report that no expenditure has yet been incurred on the Cutcherry for the Head Assistant Collector at Paulghaut, in consequence of the Collector's having informed me of his wishes on the subject, as expressed in the papers printed with G. O. No. 3,118 of 9th October.

2. I quite concur in the arrangement proposed by Mr. Ballard, but do not see how it is to be carried out until final orders shall have been passed on the subject of Talook Cutcherries generally, as the building sanctioned for a Sub. Magistrate at Cannanore will be quite inadequate to give all the accommodation required for a Magistrate's Cutcherry, including a Subsidiary Jail and Treasury. And without a sanctioned plan no materials but stone can be collected, of which all that can possibly be cut at and near Cannanore will be used up on the new Jail and Military buildings.

Referred to the Revenue Department, with reference to G. O. No. 3,118, dated 9th October 1867, Public Works Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
