Proceedings of the Madras Government, Revenue Department, 28th October 1867.

Read the following papers:—

No. 520. Proceedings of the Board of Revenue, dated 10th July 1867, No. 4,302.

Read the following letter from the Acting Deputy Accountant General, to the Secretary to the Board of Revenue, dated 27th June 1867, No. 1,740.

With reference to Government Order, No. 1,366, dated 20th instant, the undersigned has the honor to request that he may be informed of the amount which has to be recovered from the pension of the Rajah of Anagoondy by stoppage of his pension.

Forwarded to the Collector of Bellary for report.

No. 521. Proceedings of the Board of Revenue, dated 30th September 1867, No. 6,235.

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Camp at Ramandroog, 2nd August 1867, No. 151.

With reference to the Proceedings of the Board of Revenue, No. 4,302, dated 10th ultimo, I have the honor to inform you that Rupees 7,487-14-5 is the amount to be recovered from the pension of the Rajah of Anagoondy, by stoppage of his pension of Rupees 1,377-11-4 per mensem, and beg to be informed in what instalments the same is to be made good. He is in notoriously embarrassed circumstances. His Jaghire lands in the Nizam's territories were mortgaged by the Rajah's predecessor, and the whole revenue thereof is assigned to the creditors; thus the Rajah has no other means of subsistence than the pension given by our Government to a family, who formerly held a supremacy over the Chiefs of Southern India. As the Rajah, under the circumstances, has derived no benefit from the improvement of the anicut, and as his resources are so slender, I think it would be a matter for consideration, as to the policy of enforcing the claim.

1. In a letter, dated 8th January 1867, No. 2,890, the Superintending Engineer submitted to Government an estimate for the repair of the Coragul anicut, and intimated that a difficulty had arisen owing to the refusal of the Rajah of Anagoondy to pay his share of the cost.

2. Government in the Proceedings, dated 19th January 1867, No. 182, Public Works Department, sanctioned the estimate, and directed that the Collector of Bellary should recover from the Rajah the amount due as his share of the expense.

3. In their Proceedings, dated 12th April 1867, No. 2,331, the Board submitted to Government the Collector's reply in a letter, dated 8th March 1867, from which it appeared that the Rajah was resident in the Nizam's country, and a subject of that Government though a pensioner of our's, and the Collector stated that he had addressed the Resident with the view of obtaining payment of the demand.

4. The Board in submitting this letter to Government suggested that, if other means failed, the money should be recovered from the Rajah by stoppage of his pension; and Government in their Order, dated 20th June 1867, No. 1,366, authorized the adoption of this course. The Board in their Proceedings, dated

10th July 1867, No. 4,302, forwarded to the Collector for report a letter from the Acting Deputy Accountant General, inquiring the amount which was to be stopped from the Rajah's pension.

5. The letter recorded above is his answer.

6. From this it appears that the amount of the pension is Rupees 1,377-11-4 per mensem, and the amount to be recovered Rupees 7,487-14-5.

7. The Collector points out that the Rajah has no other means of subsistence beside his pension, all his lands being mortgaged, and that, moreover, he has derived no benefit from the repair of the anicut, and he recommends that, in consideration of his slender resources, the claim be waived altogether.

8. It is to be regretted that the Collector did not report these circumstances sooner, and thus save the correspondence which has ensued. Considering the fallen position of the family, the Board would suggest that the claim be withdrawn.

No. 522. ORDER THEREON, 28th October 1867, No. 2,524.

Miscellaneous.

Under the circumstances stated, the Government resolve to waive the demand in the present instance as an act of grace.
