No. 528. Read the following Proceedings of the Board of Revenue, dated 12th January 1867, No. 219.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 22nd November 1866, No. 3,232:—

1. Adverting to the Order of Government, Revenue Department, of the 8th August last, No. 1,993, contained in the Board's Proceedings of the 14th idem, objecting to the establishment of a Public Bungalow at Russelcondah, on the score of the proposed charges being insufficient to cover the expenditure, I have the honor to inform the Board, that the abolition of the Munsiff's Court at Russelcondah, leaves a public building available for a Public Bungalow free of rent charge, which was the largest item in the list of the charges which would have been incurred under the arrangement I proposed. The only necessary charges will be one Sepoy, Rupees 2-12-10, and one Toty, Rupees 2, or Rupees 57-10-0 annually, which sum I feel confident of realizing from occupation fees.

2. I will desire the Supervisor of the range to estimate for any trifling alterations necessary in order to render the place commodious, as we have money to the credit of the Bungalow Fund sufficient to meet such expenditure.

---

1. Submitted to Government, with reference to their Order under date 8th August 1866, No. 1,993.

2. Under the circumstances now reported, the Board would permit Mr. Forbes to establish a stage-bungalow at Russelcondah.

No. 529. ORDER THEREON, 25th January 1867, No. 252.

Buildings.

On the understanding that the Bungalow is not required for any more strictly public purpose, the Government sanction its appropriation for a Public Bungalow, the result to be reported after one year's experience.
