Read the following Proceedings of the Madras Government, dated 10th October 1867, No. 2,388, Revenue Department.

ABSTRACT.—Referring to the Board, for their remarks, a letter from the Superintending Engineer, 3rd Division, regarding the expenditure connected with the preparation of surveys and estimates for roads to be constructed from Local Funds.

The Board concur in the views expressed by Government. They trust, however, that if a special charge is to be borne by the Local Fund for the preparation of plans and estimates, the inordinate and mischievous delay which now so frequently takes place in their submission will be avoided.
