Proceedings of the Madras Government, Public Works Department,
21st January 1867.

No. 398. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 19th December 1866, No. 1,165 A :—

1. I am directed to acknowledge receipt of your letter No. 3,350, dated 20th October 1866, soliciting sanction to an additional Budget grant of Rupees 41,300 for 1866-67, to meet compensation for lands taken up for the construction of Imperial lines of road, and in reply to inform you that the Governor General in Council regrets that he cannot accede to this request, since the case is not of that exceptional or urgent nature under which alone claims to extra grants are recognized.

2. The charge for which this allotment is required is one that apparently might have been foreseen, and provided for in the Budget estimate for the current year, and I am, therefore, to request that it may be met, under the rules in force, by a re-appropriation of Budget credits not affecting the grant for Military works.

No. 399. ORDER THEREON, 21st January 1867, No. 195.

ACCOUNT, No. 31.

1. Communicated to the Superintending Engineer of the 1st Division with reference to the Orders of Government No. 3,349, dated the 20th October 1866.

2. As the Government of India have declined to sanction a special grant of Rupees 41,300 to meet the claims for compensation for lands taken up for roads in the Vizagapatam District since the year 1853-54, the Government will endeavour to provide the required amount when the Superintending Engineer's final statement of savings and demands for the current official year are brought under their consideration.
