Proceedings of the Madras Government, Revenue Department, 30th October 1867.

No. 578. Read the following Proceedings of the Board of Revenue, dated 4th October 1867, No. 6,337.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 4th September 1867, No. 249 :—

1. Adverting to the Order of Government, dated 11th July last, No. 1,549, calling for an explanation of the delay in reporting the Yeomiah case therein referred to, and requesting to be informed when registration was made in the name of the son of the deceased Yeomiahdar, I have the honor to report that the Deputy Collector in charge of the Treasury writes, in reply to my reference to him on the subject, that the last holder of the Yeomiah, of which there is question, died on the 14th December 1859, and that the Tahsildar's report was received on the 25th March 1860, when the usual lapsed statement was prepared and submitted to me by the late Deputy Collector on the 16th August 1860. No such statement, however, appears to have been received at my Office, and as the records shew that the Cutcherry was on that date on circuit at Chendragiri, I can only conclude that the statement, if sent at all, must have miscarried in transitu.

2. The Deputy Collector refers to some subsequent correspondence on the subject, from which it appears that his predecessor forwarded with his letter of the 23rd March 1865 two statements of lapsed Yeomiah pensions, one containing a recommendation that one of the Yeomiahs should be renewed in the name of Syed Kyrulla, No. 502, and the other, that the other Yeomiah should be registered in the name of Syed Careemudin. From a note made on the letter at the time in the Office, it appears that the second statement only was sent to the Board on the 5th April 1865, and as the first statement, which is the same as that said to have been forwarded in 1860, and in connection with which the delay has arisen, is not forthcoming in the Office, I presume it must have been returned to the late Deputy Collector with my remarks.

3. Towards the end of last year Syed Kyrulla represented by petition that he had not been paid his allowance. Some correspondence then passed between the Deputy Collector and this Office, which ended in his forwarding a duplicate of the statement on the 22nd January last.

4. The son of the deceased Yeomiahdar is, however, reported by the Deputy Collector to have been registered for the Yeomiah on the 8th October 1861. At the time this claim first came under notice, a very lengthened and intricate inquiry was being made into a long series of frauds in the Yeomiah Department. It is, therefore, probable that, in the confusion thus created in the records of the department, the papers connected with this claim came either to be mislaid or overlooked.

Submitted for the information of Government, with reference to Government Order, dated 11th July 1867, No. 1,549.
